

# How did people of the prehistoric age live?

## The Rock Engravings of Bangudae in Daegok-ri, Ulju

National Treasure No. 285, Neolithic Era, 5m height, 8m length

It is located on a cliff face on a bank of the Daegokcheon Stream, Eonyang-eup, Ulju-gun, Ulsan City. On this cliff face, a total of about 300 rock engravings feature realistic descriptions of sea and land animals, as well as hunting scenes.
